## 450 Graduate At AHS

Jay Leno, comedian, movie and television personality, returned to his alma mater Wednesday night to address the 450 members of the Andover High school graduating class at the 119th commencement exercises.

Leno, a member of the Class of 1968 at Andover High, was selected by the senior class to be the commencement speaker at the exercises held at the Eugene V. Lovely Field.

The ceremonies opened with a musical prelude directed by Dorothy J. Mellett and Dana S. Rosengard. The invocation was given by Richard J. Collins, Jr., and the Salute to the Flag was led by Brian R.

Bresnahan, vice president of the senior class.

Following the singing of "America," accompanied by the Andover High Concert band under the direction of Mark D. Grigoli and Jane A. Cormier leading the singing, the class gift was presented by Daniel A. Edelstein, president of the Class of '78.

American Field Service Flags were presented by Margarita M. Salazar, from Colombia. Emily Kearns delivered an essay, and a musical presentation, "No Man Is An Island," was presented under the direction of Ross H. Winnick, accom-

panied by Suzanne D. Casanave.

Tony E. Pace made a presentation from the A Better Chance (ABC) program, followed by an essay by Daniel A. Edelstein.

David S. Reichert, secretary-treasurer of the class presented the guest speaker.

Supt. of Schools Dr. Kenneth R. Seifert presented scholarships and the graduates were presented by Principal Philip F. Wormwood to the members of the school committee for distribution of diplomas.

Benediction was by Hope E. Mascott and Dana S. Rosengard.

Class marshalls were Susan G. Babicki and Arthur J. DeFusco.

### Presentation To Town

The Andover Flag, a presentation of Phillips Academy to the town, is displayed by Frederick A. Peterson, general chairman of the school's bicentennial celebration. The flag was presented at Town-School ceremonies last Thursday and was carried by the Andover Police Color Guard leading Saturday's parade. It will be on display at Memorial Hall Library.

## Solid Waste Termed 'Sleeping Time Bomb'

Describing the solid waste problem as "a sleeping time bomb," Town Manager Jared S. A. Clark asked selectmen Monday night to create a six-member committee to examine the total problem.

Three of the members would be assigned to the matter of the Greater Lawrence Solid Waste planning committee, which is in charge of a possible regional plant to be built in North Andover.

The other members of the committee would examine what Andover could do, if either the town doesn't join the region, or the plant doesn't get built.

Clark said that he felt the town should be

prepared because movement toward solutions to solving solid waste problems are coming from all sides — environmental concerns at the state level and action at the federal level.

The manager noted the pressure from the state and federal agencies involved in environmental concerns would result in pressure being applied to towns and cities to resolve the problems.

The regional waste plant proposed for North Andover has been on the drawing board for some time and is a pilot project for the state. The manager and selectmen agreed that the state could apply sufficient

pressure to make towns like Andover join the region.

Under such circumstances, Clark said, it is best for Andover to and other communities to maintain and exercise local control.

The simply shutting down of landfill sites by the state would make it mandatory for joining in the regional solution to the problems.

Clark had initially asked selectmen to consider the examination of the regional facility — expanded to include several

## Building Group Is Forming

Experience with school construction, financial expertise, architectural knowledge and meeting contract deadlines are among the attributes of the membership of the school building committee to be named by Town Manager Jared S.A. Clark.

Clark told selectmen this week that he had made some selections for committee appointments with the remaining composition of the seven-member committee to be made soon.

The building committee will be charged with providing for extensive renovation and alteration of East Junior High, some work at West Junior High and the high school and the construction of a new auditorium at the Shawsheen Road secondary school campus.

Persons already chosen by Clark include Steven Zaimes, Kenneth Grouper, Mrs. Beverly Darling, Paul Curley and Richard Landry. They will work with Al Hart, school department maintenance engineer

## Five Graduate From Smith

Five local women received degrees from Smith College on May 21.

Victoria Pascucci, daughter of Mr. and Mrs. Vincent Pascucci, 22-R Hidden Field Road, received an A.B. in music. A former graduate of The Pingree School in South Hamilton, she had also attended Colby-Sawyer College.

Nancy Lee Peterson, daughter of Mr. Frederick A. Peterson of Main Street, received her degree in Russian civilization. A Dean's List student for three years, she was vice-president of the Democratic Club, a member of the Russian Club and the intercollegiate softball team, an intern at WGBY-TV in Springfield, a member of the college lecture committee, a recycling activist, an athletic association representative, member of the rugby team and nursery school volunteer.

She had also graduated from Phillips Academy.

Diana Mulcahy, daughter of Mrs. Edythe Mulcahy of Boston, majored in economics. She was a former graduate of Andover High, and plans to work in Boston.

Patricia Lee Taylor, daughter of Mr. and Mrs. Kenneth Taylor, 74 Poor St., majored in Hispanic Studies. She was active in Smith choral groups, held dorm offices and participated in the intercollegiate squash team. A former graduate of Andover High, she plans to do

graduate studies at the University of Pennsylvania, where she received a teaching fellowship.

Mary Beth Berger, daughter of Mr. and Mrs. Raymond Berger, Timothy Drive, received a degree in chemistry with high honors. She was on the Dean's List every semester, and was a member of Sigma Xi. She received the Frances A. Hause prize, the C. Pauline Burt prize and the Connecticut Valley Section of the American Chemical Society award. She was Chemistry Department liaison and a member of the Service Organizations of Smith.

A former graduate of MacDuffie School in Springfield, she plans to work toward her Ph.D. in chemistry next year at the University of California at Berkeley.

## Nursery Officers

The Free Church Cooperative Preschool recently elected its officers for the 1978-79 school year. Next year's president will be Sharon Thompson, vice presidents, Bette Lunch and Jane Lousbury, secretary, Karen Parker, treasurer, Deborah Aikman, equipment chairman, Mr. and Mrs. William O'Brien and fund raisers Jesse O'Shea and Kathleen Gaunt.

The teacher, Julie Weil, and her assistant, Lorelei Kubas, will remain for the school's 21st year.

The school is a nursery cooperative open to all denominations which gives the parents a chance to participate in their child's first learning experience away from home. Children who will be four years of age by Dec. 31 may apply for the September term. For further information, contact Mrs. Vaughan Sanborn.

## Appointments Are Due Monday

Town Manager Jared S.A. Clark will present appointments to the selectmen for confirmation when the board meets in regular session on Monday in Memorial Hall library at 7:30 p.m.

Ellen T. Marcus, 167 Hidden Road, will be named to the Conservation Commission to replace Gayle Andover. Her term will run through 1980.

Robert Finlayson will be appointed to the Development and In-

dustrial Commission.

Clark said this week he is working on filling vacancies which still exist on the planning board and conservation commission, as well as the Recreation Community Schools committee which he said is in "serious need of membership." The latter board may become the Community Services committee under reorganization of town agencies currently under consideration by the manager.

## To Undertake Parking Study

An origin and destination study will be undertaken in the Shawsheen area in an effort to relieve parking problems in the Mall area.

Police Chief David L. Nicoll was asked by selectmen Monday night to undertake the study following complaints about all-day com-

muter parking in the Haverhill, Balmoral, North Main street area.

Persons having concerns about the parking problems in that area may indicate their feelings in a note to the town manager's office, or to the selectmen, signed with name and address in order to facilitate the study.

## Commissioner Updates Selectmen

Russ Moran, Andover's delegate to the Merrimack Valley Regional Planning Commission met with selectmen Monday night to update them on activities of the board.

Moran, who has held the delegate post for only a few months, is providing monthly reports to selectmen. A major item on the commission agenda at the moment is the status of the Amesbury Land-

fill which is designated as a backup for the solid waste plant to be built in North Andover. Amesbury residents are not particularly enthralled with the support designation, Moran indicated.

He also said he was working on a subcommittee designed to increase the efficiency of the regional organization.

## Summer Program Announced

This year the elementary summer school program will be held at West Elementary School, from 9 a.m. to 12 p.m. There will be academic courses (AIRS and IMS) as well as enrichment programs.

A traditional program, for children who are now in the program or will be entering in the fall, will also be offered.

A tutorial section (both language and math), as well as a pre-kindergarten section will round out

the programs.

The tuition has been changed to a flat rate of \$15. This will be the cost no matter how many courses a student registers in. There is the possibility of a lunch program being added this year. The children will be bringing home more specific information about the choice of courses, registration dates, and the lunch program next week.

## Fee Policy Subject Of Hearing

The Recreation Community Schools Committee will hold a public hearing on Tuesday, June 13 at 7:30 p.m. in the Town Hall conference room.

The committee will be discussing

the fee and charges policy for the Recreation Community Schools Department enrichment courses, recreational programs and

## Hutchins In Naval Exercise

Marine Lance Corporal Scott E. Hutchins, son of Mr. and Mrs. George A. Hutchins of 60 High St., Andover, is participating in the major NATO exercise "Dawn Patrol '78" in the Mediterranean Sea.

He is assigned to Battalion Landing Team One Slant Eight, based at Camp Lejeune, N.C.

"Dawn Patrol" is an annual exercise designed to promote improved coordination of multi-national forces and to demonstrate the capability of NATO forces to rapidly reinforce southern Europe.

Participants include U.S. Sixth Fleet units, as well as forces from Italy, the Netherlands, Portugal, Turkey, the United Kingdom, France and Greece. The exercise calls for training in air operations, electronic warfare tactics, antisurface operations and reconnaissance, plus amphibious maneuvers on the island of

West Junior High recently held its annual "Open House Show and Educational Round-Up." The event started with the chicken bar-b-cue, which was originally planned for the Courtyard, but because the weather was rainy it was moved to the gym. It lasted until 7:30 p.m. and was enjoyed by the students and their families. Throughout the evening displays,

## Awarded B.A. Degree At Colgate

James J. Collins, son of Mr. and Mrs. J. Kevin Collins, 75 Salem St., Andover, was awarded a bachelor of arts degree at Colgate University's 157th commencement on Sunday, May 28, when Congressman John Brademas (D-Ind) addressed the 625 members of the graduating class and their families.

A 1973 graduate of Phillips Academy, Jim concentrated in mathematics and biochemistry at Colgate.

His undergraduate activities included four years of varsity track and membership in Sigma Chi fraternity, of which he was president in his Senior year.

demonstrations and even contests were going on in the various rooms. In accordance with the theme "West Junior Academy Awards Night," awards were given out to students who excelled in certain areas. "Westy" awards were given for such things as English compositions, foreign languages, math, woodworking, and physical education achievement.

The evening ended with a musical show carrying on the theme of the musical "awards." It consisted of musical numbers and skits by the choral groups and individual students. Altogether it was a very enjoyable and successful evening.

The ninth grade Buffet and Class Dance is scheduled for this Friday evening from 8 p.m., and if the weather permits, will be in the courtyard, if not it will be in the cafeteria. The theme chosen for this year is "A Hawaiian Festival" and will be

decorated accordingly. It is planned that there will be Hawaiian murals, tikki gods, totem poles, palm trees, tropical birds, and tropical flowers, all helping to turn W.J.H. into a Polynesian Paradise. The dance is a semi-formal occasion, hosted by the teachers as a way of saying goodbye to the ninth-grade students.

## Camp Y-Wood Sign Up

Camp Y-Wood, the Greater Lawrence Y.W.C.A. Day Camp for girls is accepting registration for the 1978 summer season. The camp is open to all girls 7-13 in the Greater Lawrence area and will open for four two-week periods beginning June 26. Bus pickup is made in all communities.

The camp will be directed by Mrs. Evelyn Retelle, Andover, who has been with the camp since it was founded in 1959. A staff of adults and college-age counselors will present a well-rounded program of Red Cross-Y swim lessons, boating — including rowing, canoeing and sailing, arts and crafts, sports and outdoor living projects.

The nineteen acre site, located on Captain's Pond in Salem, New Hampshire, lends itself to the varied camp activities with a well-developed waterfront, groves of trees and open meadows.

A Counselor-in-Training Program will be given the first four weeks of camp for fourteen and fifteen year olds with previous camping experience who will be learning how to teach various camp skills. The second four weeks of their program will be spent as apprentices, working under the senior staff on the waterfront or on land activities.

For a camp folder, contact the Greater Lawrence YWCA.

### Symphony Ball

The Merrimack Valley Philharmonic Society has slated its annual Symphony Ball and Dinner for October 28 at Andover's Sheraton Rolling Green.

Pianist Joseph Balsamo will provide dinner music, to be followed by the Strauss music of the Symphony Orchestra, under the direction of Domenic Teoli.

Reservations may be made by contacting the following people: Mrs. Richard Mallen, committee chairman; Mrs. Adeline Ippolito, Mrs. Gerry Murphy, Mrs. Ann Concemi, Mrs. Clare Smith, U.S. Berger, James Booth, and John Gleason.

### Prints Book

Near completion is a new addition to Salem's Essex Institute Museum Booklet series, a collection of publications on the museum holdings commenced in 1976 by the publication of Madeline and Richard Merrill's "Dolls & Toys at the Essex Institute". The new booklet, to be entitled "Prints at the Essex Institute" is the result of a two-year project to catalogue the print collection under a matching grant from the National Endowment for the Arts, with additional funding from the Massachusetts Council on the Arts and Humanities and private donors. Support to publish the booklet came from the N.E.A. and the Alfred E. Chase Charity Foundation of Boston. The print cataloger and booklet author was Bettina A. Norton, who is now museum registrar.

cleaning" items into your bargain to benefit the town of Andover.

Outboard motor, sports equipment, small gas stove, electric grill, swing sets, records, large mirror, sets of kitchen tables and chairs, toaster oven, books, oak bed, baby equipment, bikes of all sizes, and ping pong tables are a sampling of the wide variety of items to be auctioned.

The flea market will feature handmade silver jewelry, crafts and ceramics, puppets and marionettes, "attic treasures," and \$2, \$3, and \$5 item tables.

Some items valued over \$20 will be auctioned on consignment, bringing donors 75 percent of the sold price, 25 percent going to the town. Of special interest should be a table saw, large Spanish antique candle holder, and a toboggan.

The Recycling Committee members will be receiving donations at Recreation Park today and Friday, from 5-7 p.m.

Look for the yellow arrows in the center of Andover leading you to Recreation Park on Abbot St. Food will be available.

## Tennis Team Wins Two

The Andover Jr. High Tennis Team was victorious in two more of its matches while losing it's fourth match to the Phillip's boys team.

This gives them a 3 and 1 record for the season with the last match on Monday against Methuen.

The winning matches were with Pike and the Phillip's girl's team. The girls played well in their match with Phillips,

## Observes 35th Year With Bell

George F. Critchlow of Andover, recently celebrated his 35th year of service with Bell Telephone Laboratories, the research and development unit of the Bell System.

He is supervisor of the TI Digital Line Group at Bell Labs' Andover, location. This group designs circuits used in digital transmission equipment by the Bell Systems.

Critchlow joined Bell Laboratories as a member of the technical staff in the Apparatus Development Department at West Street, New York. In this assignment he was involved in developing precision laboratory electrical measurement equipment such as transmission and crystal test sets. He was promoted to supervisor in 1954.

In 1960, Critchlow became supervisor of the group responsible for the command and telemetry systems of Telstar satellites. He assumed his present position in 1973. Since then he has supervised various transmission systems projects at Bell Labs' locations in Murray Hill and Whippany, N.J., as well as Andover.

Critchlow received his bachelor's degree in electrical engineering and in mechanical engineering from Cornell University in 1942 and 1943 respectively. He has been granted two patents in precision electrical measurements and is a member of IEEE, Tau Beta Pi, Eta Kappa Nu and Phi Kappa Phi.

taking six of the nine matches. The singles wins went to Laura Goodman, Pam Kennedy, Judy Labell and Rose Jannetti. Mary Beth Deluca and Pam Kennedy, Laura Goodman and Judy Labell were the doubles winners while Rose Jannetti and Betsy Hildebrandt tried unsuccessfully to pull out their match.

The match with Pike School was also a six out of nine games victory. Laura Goodman and Judy Labell were the only singles winners for Andover. The doubles victories went to Barry Bloom and Seth Ferber, Laura Goodman and Judy Labell, Dereck Ceurvels and Seth Ferber and Rose Jannetti and Betsy Hildebrandt.

Although the boys were overmatched at Phillips, they worked hard but took just one of the nine matches. That win went to Brian Howell. The other players for the Jr. High were, Victor Paul, Mark Mitchell, Joe Kannam, Harris Levinson and Dave Goldberg. The Jr. High's season will be completed in the next two weeks with a tournament for all those involved in the tennis program.

## GOP Meets

Attorney Ralph A. Barbagallo, Jr. and Fannie Bennink, Republican State Committee man and woman respectively, in a joint release today announced that the Second Essex and Middlesex Senatorial District will convene on June 15, at 7:30 p.m. at the Sheraton Rolling Green in Andover. This district includes the communities of Lawrence, Andover, Billerica and Tewksbury and comprises the Senatorial District of William X. Wall. On the agenda for discussion will be efforts at candidate recruitment for the congressional vacancy left by Congressman Paul Tsongas' decision to seek the U.S. Senate seat, as well as the various state representative and senate seats in the District.

Volunteers will also be sought to circulate nomination papers for all republican state-wide candidates.

Cutting trees, especially on slopes, results in rapid

water runoff and flood damage to crops. An estimated \$1.3 billion in U. S. crops and pasture are lost annually by flooding and related watershed damage, Massachusetts Audubon says.

# Teachers Honor Seniors At Assembly

Andover High seniors got a special honor at their awards assembly Friday: the presence of their teachers.

Many of the faculty had asked to attend, and so the traditional 9 a.m. event was moved up to noon so they could.

Graduating senior Arthur J. "A.J." DeFusco received literally the biggest award on stage; The Charles A. Gregory Award.

DeFusco's name will be engraved on the giant trophy as an outstanding all-around student in 1978.

The prestigious William A. Doherty Award, given by the principal to the student who most furthers the interests of the school, went to Susan Babicki, while the Peter Aumais Memorial Award, given by the Class of 1976 in memory of a classmate, was presented to Brian Bresnahan.

The long-time Pynchard-Andover Alumni Award went to Priscilla Nollet and Donald Eisenhaur, while the Student Advisory Council Award, for service to student government, went to Louise Mirisola.

The Student Advisory Council also presented a special award to Cafeteria Director Richard Barron for his help in improving the Andover High lunch program.

While there were several multiple winners in Friday's sweepstakes, Suzanne Casanave was a particular standout, carrying off prizes in choral music, typing, extemporaneous essay, English, physical education, and for the school yearbook.

All awards, by category, follow:

## Music

## Bill Drummond Delivers

Math Teacher William Drummond was chosen by his friends, the senior class, to speak at their awards assembly Friday, and they got their money's worth, so to speak.

They laughed and they applauded, they wiped their eyes and sometimes they squirmed. But the mood was mutual admiration and the biggest applause came when Drummond proclaimed, "There's no generation gap between you and me."

Drummond started off on something of a sensitive note.

He said a lot of people have said they don't have assemblies because the students don't know how to act. But, he said, "the opposite is true: the students don't know how to act because we don't have assemblies."

"Some people have called this the 'final senior assembly,' " he went on, "when it

is really the 'first' senior assembly."

He made an appeal for an auditorium where assemblies could be held, resulting in more school pride and spirit.

Drummond praised the Class of '78 for its many accomplishments, but said several awards had been left out, and he pulled cards out of his vest pocket and proceeded to present his own — to the Class Stiff, the senior who's out of school the most during school, Miss Andover High School, Miss Coppertone of AHS, the student to spend the most time "out back," the one with the screechiest voice, the one with the most athletic equipment checked out, the one most likely to fall asleep in class, the one toughest to get an answer from, the one to spend the most time in the parking lot and the Class Rat.

## Carrier To Appear At Hall

Methuen Memorial Music Hall's second program of the series of summer Wednesday evening at 8:30 p.m. will be played on the original Boston Music Hall Walcher Organ on June 14 by David Carrier, Braintree.

The program includes: Messe (Premier Kyrie en taille a 5 — Fugue a 5, qui renferme le chart du Kyrie — Cromorne en taille a 2 parties — Trio en dialogue — Dialogue sur les Grands Jeux) — Nicolas de Grigny; La Nativite du Seigneur (La Vierge et l'enfant — LeVerbe) — Olivier Messiaen; Choral No. 1 in E Major — Cesar Franck; Variationen und Fuge uber ein Original thema, Op. 73 — Max Reger.

David Carrier holds a Master of Music degree in organ as a student of Yuko Hayashi, and a Master's degree in choral conducting as a student of Lorna

Cooke de Varon from the New England Conservatory of Music. While at the Conservatory Mr. Carrier was also assistant conductor to Mrs. de Varon. He has given recitals throughout the Greater Boston area, and is Director of Music at the First Congregational Church of Braintree.

## Peter Pan

The lights (as well as various members of the cast) will be going up Monday, June 12, as Beverly's North Shore Music-Theatre gets its summer season off

at a flying start — literally — with the gay and sprightly musical, "Peter Pan." Tovah Feldshuh and George Rose will star in the musical version of James M. Barrie's celebrated fantasy that Mary Martin and Cyril Ritchard originally did with such brio on Broadway. The show will run for two weeks.

Is the gas guzzler finally on the way out? As energy savers the nation's big three auto makers are trimming the fat in auto design and are discontinuing their biggest cars.

## Presented Top Sports Awards

Three Andover youths, Lee Apgar, John Lyons and William Best, have won major athletic awards at Phillips Academy.

Apgar, son of Mr. and Mrs. Charles Apgar, Phillips Academy, received the

Press Club Award Given to "the most capable male athletes of the past year." The starting goalie for the soccer team for the past four years, he was the team's captain during his senior year, and his out-

standing play was the backbone of the team. Although plagued with injuries during the hockey season, he still remained an invaluable defenseman for the hockey team. This spring Apgar starred for the lacrosse team and was chosen as an All-Northern New England midfielder. Next year he will attend Dartmouth College.

Lyons, son of Mr. and Mrs. Thomas

Lyons, Phillips Academy, won the Raymond T. Tippet Memorial Award given annually to a senior member of the varsity football or baseball team whose loyalty, courage and modesty exemplify the character of Ray Tippet and the best traditions of Andover athletics." The co-captain of the football team, he was a tough, powerful guard. During the winter his steady, consistent play as a wing was one of the hockey team's assets, and this spring his hitting and fine defensive play in the outfield highlighted the baseball season. Lyons will attend Middlebury College next fall.

Best, son of Mr. and Mrs. George Best, Phillips Academy, received the Sorota Track Trophy, named for PA's retiring football and track coach, Steve Sarota and awarded to "the member of the winter and spring varsity track team who exhibits outstanding character and the will to win." Best, a rugged fullback and defensive end, was the other co-captain of the football team. During the winter and spring he was the leading shot-putter for the track team. He is headed for Dartmouth College.

If all the gold owned by mankind was formed into a single block of gold, it would measure a mere 18 cubic yards on each side — though we've been digging for the precious metal for 6,000 years.

## Adds Another Award

When Seth Lloyd of Andover walked off with one of the major awards at Phillips Academy's Commencement, Sunday, June 4, he added yet another honor to his long list of prizes and achievements.

Seth, son of Mr. and Mrs. Robert Lloyd, 20 Salem St., received the Faculty Prize awarded to "the member of the senior class who has achieved the highest proficiency in academics during his senior year."

The winner of a National Merit Scholarship and a cum laude graduate, he was also cited for his distinguished

scholarship in chemistry, Greek, Latin and mathematics. He earlier received the Catlin Prize in classics, the Graham Prize in science and the Harvard-Andover Van Duzer Prize for use during his freshman year at Harvard University, which he will attend in the fall. In previous years he has won prizes in poetry, mathematics, Latin, Greek and physics. A member of the school's orchestra, Cantata Singers and madrigal society, Seth has performed in several musical and dramatic productions. He has also played on the varsity squash team and the JV I soccer team.

## Coloring Book

Looking for something to keep your kids busy this summer? The Environmental Protection Agency has a children's coloring book called "A World Fit for Chipmunks and other Living Things."

For a free copy of this entertaining and informative coloring book write to Paul Keough, Director, Office of Public Awareness, EPA, Room 2203, J.F.K. Federal Building, Boston, Massachusetts 02203.

## Win P.A. Honors

Several local seniors have won year-end prizes at Phillips Academy.

Daniel Weld, son of Mr. and Mrs. Philip B. Weld, Phillips Academy, has received the Wilfred Freeman Fellowship for a creative summer project in the arts or sciences.

Jennifer Bensley, daughter of Mr. and Mrs. Gordon G. Bensley, Phillips Academy; Amy Shertzer, daughter of Mr. and Mrs. Gerald Shertzer, Phillips Academy; and John Margolis, son of Prof. and Mrs. Morton Margolis, Andover By-Pass, North Andover, all received the Morse Prize in art.

Robert Smythe, son of Mrs. Mary Smyth, 32 Lincoln St., won the Powers Prize in art.

Mary Margaret Winn, daughter of Mr. and Mrs. Irving W. Winn, Jr., 1 Sunset Rock Road., won the Donald E. Merriam Prize in Spanish.

Jonathan Herskovits, son of Dr. and Mrs. Joseph J. Herskovits, 109 Central St., took second place in the John S. Schweppe Prize in English.

## Holmes Is Marketing Manager

Ben L. Holmes has been named marketing manager for the Medical Products Group (MPG) of the Hewlett-Packard Company, it was announced by Richard C. Alberding, general manager of the group which has its headquarters here.

In his new position, Holmes succeeds Robert W. Hungate, who was named to the newly created position of manager of consumable products. Hungate will be responsible for planning, developing and coordinating worldwide marketing strategies and sales of HP medical consumable products.

Prior to his new assignment, Holmes was marketing manager for HP's Andover Division. His replacement has not yet been named. Holmes will manage the marketing activities of the Medical Products Group which posted sales of more than \$134 million last year. Consisting of four operating divisions, the group designs, manufactures and markets more than 300 medical electronic instruments and systems. The medical equipment is built at plants in Waltham and Andover; McMinnville, Ore.; Boeblingen, Germany; Campinas, Brazil; and Hachioji-shi, Japan.

### Taxes Due

A payment of 1978 estimated taxes is due by Thursday, June 15, from corporations operating on a calendar year tax basis, if the corporations have expected tax liabilities of at least \$40 for the year, Herbert B. Mosher, District Director for the Internal Revenue Service in Massachusetts said today.

This tax and the amount of each installment can be computed on Form 1120-W a worksheet for computing corporation estimated tax. This form is not filed with the IRS but retained in the corporation's records.

# Celebration Had 'Momentum All Its Own'

By Linda S. Corbett

A fitting Celebration it was, one which Headmaster Theodore Sizer was heard to say, "had a momentum all its own."

Hundreds of townspeople joined in the four-day Phillips Academy Bicentennial party along with untold students, parents and alumni, and there was, as promised, "something for everyone."

From PA's presentation of a handmade flag to the Town of Andover, to the world premiere performance of Alumnus Daniel Pinkham's "What Do You Want From Me?", to the giant "A" of balloons lifting skyward after the parade, to the fireworks in the middle of Saturday night's rainstorm and the signing of "America," as written here in 1832, there was excitement.

The Town of Andover's big day was Thursday, and residents and visitors filled the enormous Case Memorial Cage for a Town-Academy Assembly just before noon.

Selectman Chairman Albert Cole and Headmaster Theodore Sizer both praised the 200-year-old give and take between Andover and Town and Andover the Academy, that began, Sizer noted, when Eliphalet Pearson was stolen from the town school to be PA's first headmaster.

Cole presented Sizer with a framed copy of the Selectmen's proclamation honoring the celebration, and PA's Frederick Stott presented a flag, complete with the Town Seal, to Norma Gammon, who headed up the town part of the Bicentennial.

State Senator William Saltonstall, in his keynote address, recalled his days at Andover (the academy), as did town resident Philip K. Allen.

The town fathers and schoolmen were there front row center and representatives from Andover High School sat up front, while AHS's Madrigal Chorus and the PA

Brass Ensemble traded off in the music department.

An enormous buffet luncheon followed in the old and new gyms, and the partygoers ventured off to see the various media presentations, stage shows and athletic events planned for the day.

Andover High came from behind to win 5-3 on the baseball diamond, in the first official contest between the two schools.

Residents took a backseat to parents and alumni on Friday, but turned out in force again Saturday for the Grand Parade. It was complete with George Washington on horseback, his "nephews" running along side calling, "Uncle George, Uncle George, please send us to Andover."

The parade turned out to be so popular, in fact, that spectators who watched it on Main Street ran over to School Street to catch it coming back again. Other favorites included the replica of the Abbot iron gates by the Abbot Cluster, and a giant balloon tagged, "200 years of Hot Air."

The crowds followed along up to the Great Lawn, where thousands of balloons were let go, the Andover Co. of Militia fired its salute, and the Convocation for Rededication was called to order before representatives from Andover public schools and other prep schools and colleges around the country.

The musical and dramatic presentations that had continued through three days were capped Saturday night by the extravaganza "Carmina Burana," and with its cast of 400 singers and musicians from the school and the town. And then, as the rain came down in sheets, the fireworks went up, their sounds reverberating louder than life off the clouds, and those who braved the elements down to some plain old celebrating.

## Summer Repertory Theatre To Be At Brooks School

On July 6, "The Theatre" at Brooks School, North Andover will open its doors to kick-off the first summer repertory theater in the area.

The company, under the direction of Pamela Palmer, will present four shows in repertory, playing two weeks each.

Last Of The Red Hot Lovers by Neil Simon will be the first selection. Veronica's Room, a mystery thriller by Ira Levin, is the second offering. The third presentation, and just released from Broadway, will be Equus by Peter Shaffer. The season will close with The Gingerbread Lady by Neil Simon.

The performers who make up the company come from local theatres as well as New York City.

Richard Seguin, five time winner of the Best Actor in New England will headline an all-star company which will also include Francis Richards, a previous winner of the coveted award.

Pamela Palmer, who is well known in the area for her directing and performing

in theatre, conceived the idea of a summer theatre at Brooks School. The pastoral setting surrounding the theatre will be as pleasing to the audience's eye as is the theatre's interior, where one will find comfortable seating, and a blend of new and old to make the theatre experience pleasurable.

There will also be an apprentice program offered to young people between the ages of 14-18 to help train future actors and actresses for the stage. The program will include 6-8 hours per week of acting technique classes, plus instruction in all technical phases of theatre. The apprentices will have total involvement in the major company, and will culminate their season with a showcase of their own. Mrs. Nita Froelich will be the instructor of the apprentice program, and all inquiries pertaining to the apprentice program should be sent to The Theatre at Brooks, Brooks School, Rte. 133, North Andover, Mass.

Information, or inquiries about the availability of tickets, is available from Pamela Palmer of Brooks School.

## Spending Summer In Europe

Betty L. Welsh, daughter of Mr. and Mrs. Robert A. Welch, 199 River Road, is one of 71 students participating in the eighth International Study Program sponsored by Wheaton College.

Courses in economics, history, and psychology are offered through Aug. 21. The first six weeks will be spent in Drachten, a town in the region of Friesland in the northern part of the Netherlands.

Field excursions are scheduled to Amsterdam, The Hague, Delft and Rotterdam.

Seminars include a visit to historic Brugges with briefings at the Common Market headquarters and at the American Embassy in The Hague.

A three-week field seminar takes the group to Germany, Austria, Switzerland, France, and England. Included are tours of sites of cultural and historic interest and sessions with governmental, business, and academic resource people.

An optional offering of the ten-week study program is a one-week excursion to Leningrad and Moscow.

## Memorial Hall Library

### Interlibrary Loan Service Available

Are you finding what you want in our card catalog? If not, our Interlibrary Loan Department can borrow books, records, and obtain photocopies of magazine articles which we don't own from other libraries. Last year Memorial Hall Library borrowed over 750 items for our patrons from many public and academic libraries. Please ask at the Reference Desk for this service — it is available free of charge (except for photocopying charges) to anyone with a Memorial Hall Library card. Whether you need a book for serious research or simply want to read a mystery we don't own, give ILL a try!

#### New Large Type Books

On display and available for loan is the Annie L. (Hosmer) Curley collection of large print books. Purchased with funds received from the late Mrs. Curley's relatives and friends, the collection includes over 100 books of romances, westerns, historical novels and non-fiction.

#### It's Wrinkled Record Time!

Borrowers of records are reminded to please keep records out of the sun and out of parked cars. Heat is the enemy of the plastic platters.

#### June Art Display

This month's display is a selection of watercolors by Richard T. LaRoche of Chelmsford. Mr. LaRoche graduated from the New England School of Art and Design

### Gas Guide

Planning to buy a new car this summer? If you are, you'll want a free copy of the 1978 Gas Mileage Guide issued by the U.S. Environmental economy performance of 1978 model year cars, station wagons, and light trucks. The estimates are expressed in terms of miles per gallon measured by standardized EPA fuel economy tests.

These estimates allow you to compare the relative fuel economy efficiency of 1978 model year cars; these estimates do not mean that you will get the same mileage in these cars. The mileage that you will get will depend to a large degree on where you drive — city versus country, mountains versus flat terrain, cold versus mild climate, and your personal driving habits. For a free copy of the guide write to Paul Keough, Director, Office of Public Awareness, EPA, Room 2203, J.F.K. Federal Building, Boston, Massachusetts 02203.

#### Opera Club

On Thursday June 15 the Opera Club will meet to listen to and discuss Simon Boccanegra by Giuseppe Verdi. This is an early version revised by Verdi in his mature years and is filled with conspiracy, love and politics set against an historical background. Meetings begin at 7:30 p.m.

Children's Room News  
By Ruth Hooten

There are only two more Pajama Par-

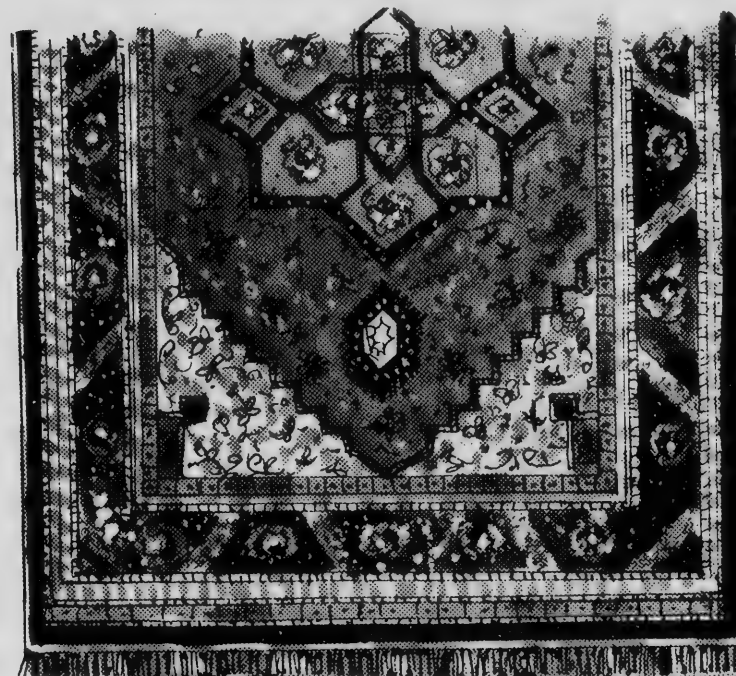

ties left in this season! June 8 and June 15 (Thursdays) at 7 p.m. will be the times of the remaining Pajama Parties. As usual all children 3½ to 5 years are invited to come to 45 minutes of stories, songs, crafts, and sometimes a movie. Of course, pajamas are accepted attire!

#### Summer Hours

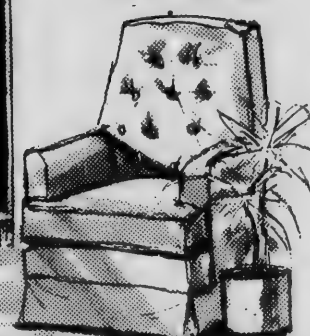

This Saturday and Sunday June 10 and 11 is our last weekend open until September. Summer hours are 9-9 Monday through Friday. The Children's Room closes at 5:30 p.m. on Fridays.

# Indian Pow-Wow Graduation

An Indian Pow-wow graduation attended by "Chief White Cloud" in the person of Bill Walsh, honorary grandfather of St. Robert's Country Day School, Haggetts Pond Road, Andover was held Thursday, June 1.

"Chief White Cloud" presented certificates to the braves and squaws of the mini-nursery while Olivia and Spike Sintros, Co-chairmen of this year's Parents' Board awarded diplomas to the regular nursery braves and squaws. A short welcoming talk was given at the start of the festivities by Rev. Frederick Collins, pastor, of St. Roberts and executive director of the school.

Each graduate's Indian costume consisting of a yellow felt fringed tunic with turquoise thunderbird on the back, braided headband and thunderbird medallion was made by Pat Lattatore and Kathy Yannetti serving on the graduation committee, this year headed by Kathy Walsh and Anne Prior. Invitations and programs were decorated by Pam Galvin, Peggy Burke, Mary Ring, Jackie Connors, Carol DiLuca, Peggy Morison, Trudy Smith, Dot McSorley, Gina Weitz and Olivia Sintros.

Three honorary degrees were given to parents, Mary Ring, Atsuko and Mike Fukuda and Kathy and Joe Yanetti for outstanding service to the school.

Indian songs and dances were then performed by each of the four nursery classes accompanied by Ellie Kearn at the piano. Entertainment for the children was provided by Andover High School Dancing Warriors Sue Denoncourt, Janice Walsh, Karen Quinlin, Julie Seymour, Becky Kiker, Cheryl Poulin and Chris Donovan. Mark Giquere of Dracut, in full Indian dress performed an authentic tribal dance accompanied by Chris Knight of Chelmsford on the drum, both are members of the Wannalancit Lodge 451, Lowell.

Following a short talk by Helen Keegan, director of the school, refreshments were served.

St. Robert's will have five classes of 11 pupils each next year. One will be for children 5 years old by Feb. 28 and is a pre-kindergarten group. There will be three regular nursery classes (4 years old by December 31, 1978) and one Mini-nursery for children 3 years 5 months by July 31, 1978. For further information, contact Sally Fiore, Registrar, 70 Lancaster Drive, Tewksbury.

A flea can jump off a table and land from 3½ to 5 feet away. They also can jump nine inches straight up from the floor and live about 583 days on your pet if you do nothing about them.

## Nursery Graduation

Debbie Takach gets her diploma from St. Robert's Country Day school, from Spike Sintros, as Helen Keegan, director of the school, and Bill Walsh, honorary grandfather of the school, looks on.

# Pops Tickets Available

Tickets are available for interested persons who want to join a group attending the Boston Pops concert on Wednesday night, June 14. A chartered bus will leave from West Parish Church and return there after the concert. Wine, cheese, and crackers will be served on the way home. Contact the West Parish Church office for further details.

The Missions Council of West Parish is arranging the trip, and the performance will benefit both the City Missionary Society of Boston and a Latin American Study Tour being planned by five of the church members.

City Missionary Society makes it possible for many deserving Boston youth of all racial and cultural backgrounds to attend

Camps Andover and Waldron on Lake Winnisquam in New Hampshire. This is just one of the many community and social services City Missionary provides while ministering in a practical and humane spirit to the needs of the poor and disadvantaged persons.

The five persons preparing for a mission study trip to Guatemala, Honduras, and Belize next fall are Martha Easton, Martha Viehmann, Don Nickerson, Jo Coombs, all of Andover, and Martha Johnson of Georgetown. This is just one of the many projects being held to raise money for the trip.

They will also sponsor an ice cream smorgasbord booth at the Andover Sidewalk Bazaar Days June 23 and 24.

## "It Feels Great To Look Good Again"

"Before I joined the Gloria Stevens diet and exercise program, I couldn't even think about wearing any of the latest fashions. But after three months at Gloria Stevens, I lost 28 lbs and 35 inches. It was great to be able to wear the latest styles again. Now after one year, I have been able to keep my present weight of 125 lbs., I feel and look 100% better and now have the ambition to do the things I enjoy. I really believe that Gloria Stevens' diet and exercise program did it all, because I couldn't do it on my own. And, the new outfit I am wearing was purchased by money I earned from Gloria Stevens for introducing others to the program. Gloria Stevens has sure paid off for me, in more ways than one."

Mrs. Daniel P. O'Connell

## Seccareccio - O'Connell

Collegiate Church of Christ, the teacher, Merrimack College, North Andover, was the setting for the June 18 marriage of Mary Louise Seccareccio, daughter of Mr. and Mrs. Samuel J. Seccareccio, Andover, to Terrence Dennis O'Connell son or Mrs. Daniel P. O'Connell of Methuen and the late Daniel P. O'Connell.

Rev. Thomas C. Kenny O.S.A., Merrimack College, officiated at the 2 p.m. nuptial mass before the main altar banked with ice pink snapdragons accented by spun sugar pink fuji mums, smilax and lemon leaf foliage. The same decor was carried out throughout the church.

Given in marriage by her father, Samuel J. Seccareccio, the bride wore an original Bianchi gown of ivory silk organza, designed with a Queen Anne neckline of reembroidered Alencon lace. The barley capped shoulders and fitted bodice of sheer English net was applied with the Alencon lace. The skirt was generously applied with the lace cutouts and extended into a full train adorned with the same details. The original cathedral length mantilla was designed to enhance

the gown with matching reembroidered lace, appliqued cutouts and seed pearls. She carried a soft elongated cascade of Phalaenopsis orchids accented with petite ice pink sweetheart roses, baby's breath and English ivy.

Mrs. William F. Donahue, Jr., attended her cousin as matron of honor, wearing an original Gallina gown, empire waisted in a Voile print of fern green and ice pink roses with an ivory eyelet off the shoulder ruffle accented with an ice pink velvet waist band. Her ensemble was highlighted by an ice pink picture hat adorned with a matching Voile sash. She carried an ice pink duchess rose surrounded by a cloud of baby's breath, garlands of English ivy and Love Knot streamers.

Wearing identical gowns and hats and carrying the same Duchess rose cascades were the bridesmaids, Miss Susan J. Griffin, cousin of the bride, Mrs. David Fay and Miss Debra Deleo.

Miss Natasha Tokowicz was the flower girl. Designed by her mother, Mrs. Richard Tokowicz she wore a gown of ivory eyelet, tier on tier, over ice pink Peau de Soie with a petite picture hat to

match. She carried a natural wicker basket of petite ice pink sweetheart roses, baby's breath and English ivy. On the sides of the basket were encrusted the original wedding bands.

Mrs. Seccareccio chose a Gregory Cicola designed gown of imported deep ivory Mousseline de Soie embellished with hand painted design and petite sugar spun pink stones scattered throughout. Phalaenopsis orchids with the sugar spun pink centers adorned her imported mesh purse.

The groom's mother wore a gown of ice pink chiffon with an attached waist length caftan. Her purse coordinated the endsemble and was embellished with spun sugar pink orchids, English ivy and baby's breath.

Patrick O'Connell served as his brother's best man and the guests were

ushered by William F. Griffin, cousin of the bride, Kenneth Storti and Glen Riel.

A reception followed at the Haverhill Country Club with Miss Lisa Fiorentini presiding at the guest book. The couple then left on a wedding trip to Bermuda. Upon their return they will reside in Methuen.

The new Mrs. O'Connell is a graduate of Presentation of Mary Academy, Methuen. She attended Endicott Jr. College, Beverly, and received a bachelor of arts degree from Merrimack College. She is employed as a customer service representative by Baybank Merrimack Valley, Methuen.

Her husband, a graduate of Tenney Memorial High School, Methuen, attended Northern Essex Community College and is employed as a Draftsman by Frank C. Gelinas Co., Consulting Engineers, North Andover.

### Prevention From Infection

William Phair makes preparation to inject Elm for protection from Dutch Elm Disease during demonstration conducted at the home of Mrs. Norman Frost, checking the process. The Andover Garden Club conducted the demonstration and has made available to the town the protective procedures.

## Elm Protection Available

If you have on your property an American elm, you have a specimen of what one botanist described as the most beautiful plant in the Western Hemisphere.

American elms are our national heritage and given care from the dreaded Dutch elm disease, elms have a life expectancy of 300 years. It is important to note that it is possible for a tree to be infected with DED for one or more seasons without showing visible symptoms.

As soon as leaves are developed to one half their full size, the Lignasan BLP can be administered to the healthy tree by low pressure injection directly into the system of the tree at ground level. The length of time to inject a tree can range from 20 minutes to 24 hours, depending upon weather, climate and trunk size. Optimum weather conditions are for a hot breezy day.

For this year's preventative program the town will be using a therapeutic dilution rate. It is recommended that a second injection should be made within 30 days for infected trees.

The Andover Garden Club is making available the use of its elm tree injector tank to the town as well as to local

residents. Contact Mrs. Norman Frost, 475-8400 in order to reserve the use of this equipment and for further details. Lignasan BLP is available at your local AGWAY dealer with one week's notice.

### Artists

The professional artists from the Newburyport Art Colloquium will be teaching their areas of specialty at Camp Merrymeeting, a Merrimack River Girl Scout Day Camp, this summer.

Camp Merrymeeting, located in Andover on Pomp's Pond is open to girls from the Andover area.

One of these artists will be Jenny Power, an instructor in the fine art of Batik, a style of dyeing

cloth using wax, which will be of particular interest to older girls. She will also be giving lessons and advice in Sketching and Water Color work.

### Genealogy

An all-day workshop "Family Tree Climbing Can Be Fun," will be held at the Lynnfield Public Library on Saturday, June 17, from 10 a.m. to 4 p.m. A team from the Everton Publishers of Logan, Utah, will conduct the program which should be of interest to both beginners and active genealogists.

## The ANDOVER TOWNSMAN

The Second Front Page

JUNE 8, 1978

**Definitely  
Headed  
For Yale**

From all appearances, it must be judged that the person waiting in line for one of the events at Phillips Academy last weekend is either from Yale, or en route to the New Haven Ivy league school. Maybe the Eli mascot was on hand for the Bicentennial celebration.

## Woman Fatally Injured

A fiery crash on Chandler road last Thursday night claimed the life of Mrs. Philip Arsenault of Lawrence and caused injury to her husband who was admitted to Lawrence General hospital.

The Arsenaults were returning to their Ridgewood Circle home in Lawrence shortly after 9 p.m. when the accelerator stuck in the car, causing the vehicle to bounce off a wall of boulders before coming to a stop in the roadway and bursting into flames.

Andover firefighters had to work half an hour to cut away the car frame in order to free Mrs. Arsenault from the wreckage. She was dead at the scene. Mr. Arsenault was pinned against the steering wheel.

The couple was returning home from a shopping trip and would have turned down Mount Vernon street in Lawrence. Police believed that with the accelerator stuck, Arsenault could not negotiate the curve and lost control of the car.

Investigation is continuing.

## Held In Shooting Cruiser

Wayne D. Harriman, 28, 192 North Main St., Andover was held on \$20,000 bail on charges of firing a shotgun at police officers who had responded to a call for assistance at a domestic disturbance at his home Sunday night.

Harriman appeared in Lawrence District Court Monday on the charges brought by Andover Police Officers Philip Froburg and Thomas Siopes, following the Sunday night incident.

He pleaded innocent to charges of assault with intent to murder, damaging a police cruiser and his wife's car and disturbing the peace.

Harriman was accused of firing two shots from a 12-gauge shotgun at police after they surrounded the North Main street home Sunday night. The deershot went through the police cruiser and also hit Mrs. Harriman's car.

There were no injuries.

Sgt. George R. Miller dispatched police to the scene about 7:15 p.m. Sunday in response to a call for assistance.

Mrs. Harriman broke away from her husband when police arrived, then advised them of her husband having a gun.

Several police officers then responded and surrounded the house.

Officer Froburg advised Harriman over a cruiser public address system that the house was surrounded and to come outside before someone got hurt.

Lt. Llyod Belbin called Harriman and requested that he give himself up, at which point the two shots were fired, one hitting the police cruiser and just missing Froburg. Officer Siopes was hit by flying glass, but not seriously injured.

After about ten minutes, Harriman threw the gun out the window and came out, refusing the officer's orders to raise his arms.

The Harriman's eight-year-old son, was taken to a neighbor's home by police, during the incident.

Assisting at the scene were Officers Fred Sunderland, Frank Froburg, Arthur Ricci, Steven Avery and Sgt. Jacob J. Jacobson.

Selectmen Monday night will accept assignments to specific areas of governmental operations in an effort to establish liaison with other town boards and regional agencies.

The suggestion was placed before the board Monday night at a conference session by Town Manager Jared S.A. Clark.

At a previous meeting Selectman James Abramson had suggested that some liaison be established between the board and other agencies in order to keep both informed.

Clark outlined four specific areas in which an individual selectman would work. Attendance at meetings is not mandatory, but keeping informed of activities and concerns would be passed on to the full membership in monthly reports.

Clark noted that it would also allow him to inform one member of some specific concern, problem or happening and the selectman in turn, could decide whether to make the information known to the full membership.

He cited as an example the recent train derailment, as important enough for the entire board to be aware of, and he would inform the particular selectman of the accident. In turn, the information would be afforded each member of the board.

The proposal examined by the board this past week does not preclude board members from having access to information or becoming involved in some other proceedings, but simply allows for a responsibility being placed on one member.

There was some concern expressed about the individual's right to make the decision as to whether the matter was important enough to be shared with the other members.

The intent is to have the one member responsible and that information to be passed along in the reports for further discussion, the manager stated.

The proposal is not meant to have selectmen exercising any actions over other boards or committee, but simply to keep open the lines of communication.

The matter will be presented this coming Monday night for approval of the board at its regular meeting, after which Chairman Albert Cole is expected to make specific assignments.

The areas to be assigned include: fiscal management and planning, community development, government operations and intergovernmental relations.

## Youth Writes Parents

Richard Flanders, 18, son of Coast Guard Capt. and Mrs. William Flanders, 5 Abbott Bridge Drive, who had been missing since May 18, contacted his parents last week from a Michigan location.

Flanders informed his parents that he had gone to Michigan and "wanted to live on faith and make some decisions."

He had been missing since May 18 when he went to Westboro State hospital to do some counseling. Flanders is active in a Baptist Youth Group.

A massive search of the hospital grounds had been undertaken the weekend of May 27 in search of the youth and his red Volkswagen.

The parents received the letter last Wednesday.

## Postal Service

We are at a loss to understand why postal service has been altered so, since the move of carriers and clerks to Lawrence several months ago.

When the move was announced, postal authorities guaranteed that there would be no change in service, in fact, it was stated that if anything, service would be improved.

But as the weeks and months have passed, we view the service as being far less than what Andover Customers received when all of the work was carried on at the Main street post office.

Deliveries seem to be later to homes.

Box service is off by some two to three hours, according to businessmen.

And we remain curious as to why moving of operations to a location a few miles away should have any bearing on such delays.

Let us first hold blameless the carriers and clerks. They can only process what is provided them, and, in their usual efficiency carry out their appointed rounds.

But somewhere along the line there must be a breakdown, or something which is contributing to the delays.

Local businessmen dependent on the postal service for orderly conduct of their enterprises, have found the delays in box deliveries costly.

They have clerks and secretaries on board to process the mail and do accounting procedures at an early hour, based on the manner in which they formerly received their daily mail.

Now, these employees are idled by what their employers tell us is a two-hour delay in receiving their

morning mail.

Further mystifying is the delay experienced in the processing of some local mail.

Within the past few weeks, a letter was sent to this office, postmarked Friday afternoon. It did not arrive in the postal box until Tuesday morning.

Andover and the U. S. Postal Service have been at odds for the past few years regarding the location of a new facility. After several months of disagreement between Andover administrators and postal officials, the matter seemed resolved when announcement was made that the central office would remain in the Central Business District. All but customer services would be moved to the Lawrence post office, with no loss in local service, postal officials promised.

There were many who looked upon the plan with skepticism, as regarding the service, even though it was felt the town won a victory in retaining the downtown post office.

The skepticism now seems warranted and deepened by the prospects of construction of a major postal service processing plant in Woburn in the not too distant future.

If the service in Andover has declined through the rather limited move to Lawrence, what could be expected, if operations are eventually shifted to Woburn?

There has been a recent increase in postal rates. Computers have been introduced to mail processing. The general public has put ZIP in its mail.

It is unreasonable to expect that modernization, consolidation, or whatever, should improve service, rather than result in decline?

## Down The Years With The Townsman

### 75 Years Ago — June, 1903

The house which stood at the corner of Haverhill street and Main street in Frye Village has been moved to a site across the Shawsheen Bridge on Haverhill street.

The front of the Town House has been improved greatly by the placing of a blackboard with a gilded edge. The board was placed on Saturday by Mr. Saunders, the janitor.

Work has been started by the Smith and Dove Co., on erecting a retaining wall along the east side of the Shawsheen River in Abbot Village, after which a large tenement block will be built for the employees. They will also build an electric plant to supply their company. E. W. Pitman will do the work.

At the meeting of the selectmen Monday night, permission was granted to the Lawrence Gas Co., to extend their main pipes from Playdon's Greenhouse in Shawsheen, to the West Parish church.

George Saunders, the plumber, has announced he will close his shop at 6 p.m. on Saturdays for the summer months, resuming later hours beginning after Sept. 1.

### 50 Years Ago — June, 1928

Combination 1, hose and chemical apparatus, purchased in 1914, was moved from Central station to Ballardvale station Monday, giving the 'Vale' its first motorized equipment. "Old Jerry," the last fire horse employed by the town is now officially retired after 17 years of service.

Frances Dalton and Abbot Cheever, local students at the Boston Museum of Fine Arts, have been awarded scholarships for continued study at the school.

The school committee this week re-elected all janitors in the schools for another year at the same salaries. Also re-elected were both drivers providing school transportation Alvah Wright and H.F. Lee.

Gordon Coutts has been elected assistant lifeguard at Pomp's Pond for the summer. Coutts and Lifeguard McBride were on duty Sunday as over 200 people showed up for a swim despite the beach not yet being open.

Dino G. Valz, a salesman at the Andover Press, sails tomorrow on the S.S. Volendam from New York for summer at his

home in Montesinaro, Italy.

### 25 Years Ago — June, 1953

Andover's civil defense team responded to the Worcester tornado disaster this week sending the fire department jeep, tree department equipment and men, and several trucks and volunteers.

The public parking area to the rear of the town-owned Shaw property, is expected to be ready for use about mid-July.

Seven Andover boys were among the 230 graduates of Phillips Academy at exercises Sunday. The locals include Robert L. Bradley, William T. Bride, Jr., Thomas A. Burntee, Michael J. Glazerman, Stephen Quint, Leo H. Daley and Thomas L. Springall.

There will be 31 members of the 105-member senior class at Pynchard High school continuing their education at degree granting colleges in September.

Dr. William V. Emmons was presented a gift by the Massachusetts Society of Optometrists following his retirement as treasurer of the organization for the past ten years.

## For Those Of Us Who Are Older

By Janet D. Lake

Mark it on your calendar! The next Pot Luck Luncheon at The Haven will be June 20 at 12:30. These events are always great fun get-togethers you'll be sure to enjoy. In order to facilitate the planning process you should call the Haven (475-3968 or 4165) and let them know you plan to be there and what you plan to bring. If you're a great cook or have some specialty, now is the time to bring it forth, but if you have neither the time nor the inclination there are always other items you can contribute such as rolls and butter or nuts or candy, etc. The Haven will have suggestions if you don't seem to come up with something. Remember - June 20 at 12:30.

There is still room for anyone who has not yet reserved a place to participate in the theatre-dinner party June 25 (the performance is "Mame" - the dinner, chicken) or the Provincetown cruise July 6. Call The Haven for further details.

For those of you who have been hungering for a sniff of salt air, The Haven is coming up with a trip for you - to Hampton Beach, July 19. Transportation will cost \$3 and the bus will leave The Haven at 10 a.m. Whatever else you spend will be up

to you, but the bus will get you back to The Haven by 3:30 that afternoon. Stop by the office at The Haven to place your reservation for Hampton Beach or any of the other exciting trips scheduled.

And for those of you who are not trip oriented or between trips, line dancing, table tennis and bridge will be continuing through the summer. And remember, The Haven is air-conditioned! Stop by for a visit. You'll be warmly welcomed.

## Bus Tour To Pompeii Exhibit

The "Pompeii Ad 79" exhibit at the Museum of Fine Arts in Boston is the destination of the International Institute spring bus tour Saturday, June 17.

Reservations for the tour may be made by calling the International Institute in Lawrence.

The tour includes round-trip bus transportation, no-waiting in line Museum entrance, and a taped guide to the exhibit for each person.

The bus is scheduled to leave the International Institute at 8:15 a.m. with a pick-up stop at West Parish Church at 8:30 a.m. The tour will return to Andover-Lawrence by noon.

## Earns Degree In Italian

Annmarie Manzi, 440 Great Pond Road, North Andover has received her master's degree in Italian from the College of Arts and Sciences, Georgetown University, Washington D.C.

Miss Manzi earned her bachelor's degree in art history at the University of New Hampshire, and an associate degree in art history from Bradford College. She prepared for

her graduate work at the University for Foreigners in Perugia, Italy. She is presently employed as a researcher in the Special Publications Division of

the National Geographic Society in Washington, D.C.

She is also a graduate of North Andover High School.

## Choral Parents Meet

The Andover High School Choral Parents Association will hold its end-of-the-school-year meeting on Monday, June 12, 7:45 p.m. in the high school cafeteria.

Highlight of the evening will be the viewing of the films of the choir's recent trip to Washington and Philadelphia, as a permanent record of the trip was recorded on video tape. Students who were on the trip are also asked to bring the pictures they have taken, to be shared by those at the meeting.

A special invitation has gone out to all parents of incoming Sophomore choir members to attend and become acquainted. Of the items to be discussed will be the possible participation, next year, in the International Choral Festival to be held in Ottawa, Canada. Graduating Seniors are also asked to attend.

## Greenbelt Walk

On Sunday, June 11, Essex County Greenbelt Association is holding a walk at the Ewell Reservation in Rowley. Meet at 1 p.m. at the Rowley Town Hall on Rt. 1A.

## Health Care Is Sick And It Needs Curing

WASHINGTON -- Too many doctors put their pocketbooks ahead of their patients. This is the opinion of Federal Trade Commission investigators, who have been probing the practices of the medical profession.

Some doctors, in the opinion of the federal investigators, have engaged in illegal practices. They have frozen out doctors who try to set up low-cost health care centers. This has been done through medical societies, which have created quiet monopolies in one town after another.

Doctors have also taken control of many insurance firms. The firms pay the doctors exorbitant fees for their services. All these practices are aimed at reducing the number of competitors and maintaining high fees.

The investigators believe the doctors are largely to blame, therefore, for the skyrocketing costs of health care. Health, Education and Welfare Secretary Joseph A. Califano Jr. has sent documents to the White House, describing the impact of high medical costs upon the populace.

Millions have been financially ruined by a serious family illness because they can't afford health services. This has also left under-served persons, particularly minorities, in worse health than the general population.

For example, the life expectancy of migrant workers is 49 years. This is 24 years below the national

average. Califano's documents also show that 45 million Americans have either inadequate health insurance or no coverage at all.

President Carter promised during the 1976 campaign to push national health insurance. Now we have learned that some Cabinet members and White House aides have urged him to wait until next year to begin the battle. They thought it would be best not to stir up another huge controversy until the 1978 election is out of the way.

But labor leaders have reminded the president that he promised to push for national health insurance quickly. Aides have also pointed out that polls show a majority of Americans favor the idea.

Some aides argued that Sen. Edward Kennedy, D-Mass., would get all the credit for national health insurance if the president doesn't act soon.

It could be a bitter, bloody battle. The American Medical Association will fight the legislation because national health insurance could end up regulating and reducing doctors' fees. And nothing stirs up the AMA like a battle to protect doctors' fees.

**Soccer Spotlight:** This month, athletes from 16 nations will gather in Argentina to compete in the World Cup soccer matches. Many sports fans consider the World Cup to be the premier athletic event in the world. It may be bigger than the Superbowl,

World Series, Kentucky Derby and Indianapolis 500 combined.

This means Argentina will be in the world spotlight during the three-week competition. But the soccer matches will probably divert public attention from a bigger story. For behind the World Cup competition, Argentina is also the scene of frequent kidnappings, killings and tortures.

These have occurred under the strong-arm leadership of Argentina's ruggedly handsome, mustachioed dictator, Gen. Jorge Videla. He is so concerned about the unfavorable publicity that he has hired a New York public relations firm to improve his image.

The firm is Burson-Marsteller. It will be paid \$1.2 million to make the dictator look good.

The firm has advised Videla to exploit the World Cup matches. We have seen the firm's confidential report to the dictator. The World Cup, it suggests, should enable the Videla regime to present itself "in an extremely favorable and positive light."

The firm recommended a communications program that would focus the spotlight on Argentina's tourism, food, night life and other attractions. It suggested using Argentine sports figures to help with the campaign.

A spokesman for the firm told us sadly that the dictatorship has decided not to adopt its World Cup recommendations.

**Tourist Boom:** Since President Carter lifted the U.S. travel embargo against Cuba last year, relations between Havana and Washington have chilled considerably. American tourists, nevertheless, are flocking to Cuba. Two hundred Americans fly to Havana every week from U.S. airports, and many more go by way of Canada. The Cuban government is renovating many of its old luxury hotels to accommodate the tourist boom.

**Rodent Rundown:** The White House recently called in an exterminator to wipe out an epidemic of mice. Now it appears the rodents scurried across to Capitol Hill. In one week, recently, 42 Senate offices complained of mice infestation. Meanwhile, UCLA psychologist Gaylord Ellison has been studying the drinking habits of rats living in a group. He found that they enjoy pre-dinner cocktails and even a nightcap.

**Headlines and Footnotes:** At a recent White House picnic, a few senators and congressmen made off with the linen tablecloths that had covered the tables. A presidential spokesman said the tablecloths had been donated and could be carted off as souvenirs. A medical student at the University of Virginia has been salvaging ethyl and propyl alcohol used in cancer tests and pouring it into the gas tank of his car. The vehicle performs superbly, he says, on a mixture of 40 percent alcohol to 60 percent regular gasoline.

# Dollars & Sense

When we spend your dollars to buy insurance, we ask ourselves some hard questions. Like "Are we buying from the best company", or "Does a larger deductible to create a smaller premium make more sense." or "Can we reduce your cost by changing some of your obligations?"

These are hard questions that demand careful answers. And we answer them. That's the way we do business. After all, if we're spending your dollars shouldn't we use a little sense?

# Keefe, Collins Outstanding

Paul Keefe and Rick Collins turned in outstanding performances last week in the Massachusetts State All-Class Track Championships and both qualified for the New England Championships at Bellows Falls, Vermont on Saturday June 10.

Keefe successfully defended his state title in the high jump with a leap of 6'7" and narrowly missed 3 times at 6'9", which would have broken his school record, Paul's target at the New Englands this week. Paul, although failing to score, also ran well in the high hurdles and ran a fine leg on the mile relay team.

Rick Collins ran a very strong third in the 220 yard dash and then came back for his fifth race of the day, after 8 hours of competition, and ran a blazing :49.8 - 440 leg in the mile relay.

The mile relay team comprised of Ed Darby (:52.6), Paul Keefe (:51.6), Rick Collins (:49.8) and Rip Williams (:51.0) combined for a new school record performance of 3:26.0 in finishing fifth.

Paul Farnham completed the Andover scoring with a sixth place in the Triple Jump at 45'1", his best jump of the season. Andover placed fifth in the team scoring, 5 points behind winner Brockton who won the meet with just 2 individual scorers and a relay team. Andover, with 3 individual scorers, led the state in that department.

On Wednesday May 31, with some of its top State Meet qualifiers being held out, Andover dominated the Merrimack Valley

League All Star Meet held in Tewksbury. Andover scorers in the League Meet were:

# White Sox First Half Champs

By Rick Harrison

The White Sox won the first-half championship in the American League, highlighting action last week in the Andover Major Little League.

The Pale Hose defeated the Red Sox in the final game of the first half, finishing with a 7-2 record to edge out the Yankees who were 6-3. Ironically, it was the Red Sox who eliminated the Yanks from a title tie with a 4-3 victory earlier in the week.

In the National League, the defending champion Cards closed out the first half with a 7-2 record, assuring themselves of at least a playoff for the title.

The Cubs are 6-2 with a makeup game left against the Pirates. A Cubs' win would force a playoff.

Meanwhile, the second half has been launched in both the AL and NL.

The Tigers and Orioles jumped off to good starts in the American League, while the Cards, Cubs, Braves and Giants all won second-half openers in the National.

## American Major

### First Half

#### White Sox, 8-1

Rick Desmarais tossed a clutch two-hitter as the White Sox dumped the Red Sox 8-1 to clinch the first half championship.

Chris Comparato and Di Callahan stroked bases-loaded singles for the White Sox, who scored five runs in the second and three more in the fourth.

Doug Lindquist added a pair of safeties for the champs.

Charlie Zeigenbein was a defensive star behind the plate for the White Sox, gunning down a pair of potential Red Sox base stealers.

Scott Higgins did the hurling for the Red Sox.

### Second Half

#### Orioles, 7-2

Orioles' starter Jason Reeder and winning pitcher John Sheedy held the Red Sox at bay in a 7-2 victory to launch the second half for both teams.

Mike Coelho went the distance for the Sox and struck out 11. He was in complete control for five of the six innings, and had a perfect game going into the fourth, but a seven-run O's fifth turned the contest around.

Orioles' second baseman Brian Sheehy and catcher Tom Marjerison combined in the first inning to cut down two Sox runners at the plate, and that shut off the Sox' usually effective running game.

Tom Bolduc, Sheedy and Sheehy rapped RBI singles for the winners.

Peter Guschoy led the Red Sox attack with a pair of line drive singles while Tom Powers, Ed Hardy, Rich Dunn and Coelho chipped in the other hits.

Sox rightfielder Mosa Kaleel was the defensive standout, making a fine grab of a hot liner.

#### Tigers, 4-2

All the scoring on both sides came in the first stanza, as the Tigers spotted the Indians a 2-0 lead and then recovered with five hits and four runs in the bottom of

the inning enroute to a 4-2 victory.

Winning pitcher Bill Weidman, who worked the first four frames, and reliever Mark Nardone then held the Tribe to one hit the rest of the way.

Indians' hurler Bill Foley, meanwhile, three nohit shutout ball after his early difficulties, retiring the last 12 batters in order.

Weidman walked only one batter and struck out six, while Nardone issued two free passes and fanned three.

Weidman is now 1-1 on the mound this season.

The Bengals parlayed a walk, three singles, a wild pitch and two doubles for their runs.

Billy Weidman helped his own cause with a two-run double and Mark Nardone delivered a run-scoring two-bagger.

Bob Stabile, Scott Zimmerman and Shane Smith collected singles.

The Indians had taken the lead by stringing together a walk, two singles and an outfield error by the Tigers.

The three hits by the Tribe were singles from Gary Bachinsky (the Mighty Mite), Bill Foley and Dave Nelson.

The game featured excellent defensive play by both sides.

Fielding stars for the victors were shortstop Scott Zimmerman, pitcher-first baseman Bill Weidman, first baseman-pitcher Mark Nardone and leftfielder John Haddad.

Defensive standouts for the Indians included shortstop Jim Daly, center-fielder Gary Bachinsky, third baseman Dave Nelson and first baseman Gene Sullivan.

#### Orioles, 7-4

Joe Fournier of the Orioles struck out nine in a route-going 7-4 win over the Twins.

The Orioles' offense was led by John Sheedy with two hits, and Tim Jennings who scored three runs.

Defensive stars were Jeff Kennedy, Tom Bolduc and Fournier.

Bill Lane, Brian Barry and Jim Lowe all pitched for the Twins, while Sean Trombly and Jim Thibodeau spiked two safeties apiece.

The catch of the game was made by Twins' rightfielder Jamie Martin, who snagged a scorching liner off the bat of O's player Brian Sheehy.

#### Yankees, 10-5

The Yanks overcame a 3-1 first inning deficit, scoring three times in the third and six times in the fifth, enroute to a 10-5 conquest of the first half champion White Sox.

Eric Fitzpatrick led the victors with three hits, two singles and a triple, Brian Gibson contributed a key single and played well defensively, and Tom Moon collected three RBI.

Lefthander Billy Vickers went the distance to pick up the win, allowing seven hits and striking out eight.

For the Sox, losing chucker Rick Desmarais struck out five and slammed a long two-run double in the first inning.

Dan Sheehan also played well at both third base and in leftfield for the Sox.

#### AL Standings

## National Major

### First Half

#### Cards, 5-1

Paul Tarro fired a one-hitter and struck out six, as the Cards swept to their sixth straight victory in the first half and clinched at least a playoff with a 5-1 triumph over the Giants.

John Geiger and Pat Martin lashed two

hits apiece for the Cards, while Scott Deery and Brett Larrabee belted doubles.

Kurt Smith was the losing chucker and Bob Wilson spoiled the no-hit bid with a double for the Giants.

#### Dodgers, 9-8

The Dodgers completed the first half better than .500 with a taut 9-8 triumph over the Pirates.

Chris Wilson was the winning pitcher on the strength of 2+ innings of strong relief, and Chuck Arrigo sparked the offense with two timely safeties.

Losing hurler Bill Baldwin struck out seven, while Mark Lefebvre cracked a two-bagger for the Buccs.

#### Cubs, 13-7

The Cubs kept their playoff hopes alive with a 13-7 conquest of the Braves.

Joel Brother was the winning pitcher and he also contributed three hits to the Cubs' sixth straight triumph of the first half.

Harold Whitworth spanked three hits and drove in two runs, while Larry Cuddy hammered a triple for the Cubs.

Ernie Baldwin delivered two hits and two RBI for the Braves, and Brian O'Dell laced a pair of safeties as well.

### Second Half

#### Braves, 10-0

Righthander Mike Twomey came up with another excellent two-way effort for the Braves, as they slugged the mets 10-0 to begin the second half.

On the mound Twomey tossed a one-hitter and fanned 12, picking up the

# On The Soccer Fields

## By She Livermore

As the Andover Soccer Association's Spring Program comes to its conclusion in the next couple of weeks, it is interesting to note that Governor Mike Dukakis recently declared June as Soccer Month in the State of Massachusetts. Certainly the 630 parents whose children participated in the Spring Program must share his enthusiasm for the game and should be reminded that sign-up for the Fall Program will end in early July. Applications will be in the mail in the next few days and interested participants are urged to return them without delay to guarantee participation in the Fall Program.

Brief results of last week's games follow:

### Under 10

#### Falcons 2, Marblehead Stikers 2

The Falcons with only eleven players played Marblehead with a full complement. Both teams scored two goals apiece in the first half (John Perry and Greg Harris both on passes from Andy Lascher). The second half was scoreless, resulting in a tie game. Outstanding Booters: Forward John Perry and half-back Matt Murphy.

#### Ravens 2, Georgetown Raiders 1

The Ravens played a strong offensive game against Georgetown and only good defense by the Raiders held them to a two goal victory. Mark Neaves and Eric McDowell scored Andover's goals. Outstanding Booters: Michael French, Eric Buchholz and Eric Asgeirsson.

#### Condors 6, Georgetown Tenderfoots 1

The Condors controlled the ball throughout and were able to score six goals before the final whistle. Goal getters were Jamie O'Brien and Jeff Smith. Outstanding Booters: Tom and Tod Morton, Mike Schwartz, Geoff Boland, Adam Smith and Brian Cronin.

#### Pumas 2, Saugus Panthers 0

Only eleven of Coach Bill Tarbox's Pumas were on hand to play against Saugus; however, they played a spirited game throughout which in final analysis won them the points. Jahna Malitsky scored both goals for Andover on passes from Kyle Marjerison. Outstanding Booters: Kelly Ross, Deniece Lenick and Tracy Tarbox.

#### Eagles 2, Swampscott Wildcats 2

The Eagles provided the numerous spectators with plenty of excitement when they played a strong Swampscott team who scored in the opening moments of play. Forward Kyle McCabe hustled to get the ball into Swampscott's goal zone whilst defensive players Robert Foley and Matt Horne worked hard to protect their

goal. The game ended in a tie. Goal getters for Andover were Richard Bordelais (penalty kick) and Shannon McCabe. Outstanding Booters: entire Eagles line-up who played like professionals!

#### Owls 12, Swampscott Toughskins 0

Almost the entire Owls team scored a goal or assisted when they overwhelmed Swampscott, who must have been relieved when the final whistle blew! Goal getters were Matthew DellaCroce (assist Jim Saalfrank), Ron Forbes (assists Steve Mencis, Tom Swift, John Saalfrank), Bill Webber (assist John Pratt), Cas Kolaski (assist Mike Cox), John Shaw (assist Dana Forbes), Todd Swift (assist Dan O'Brien) and Tim Donovan (assist Mike Cox). Outstanding Booters: Chris Graff and David Eckman.

#### Hawks 2, Marblehead Tornadoes 1

The Hawks played a strong Marblehead team who kept up the pressure throughout the game. Goalie Ronnie Peck made some beautiful saves and Bruce Lane scored two goals on passes from Fred Kratz and Steve Colitz, which gave Andover the victory. Outstanding Booters: Henning Ohlenbusch, Fred Kratz and Greg Tormey.

### Under 12

#### Cougars 1, Georgetown Fancy Fielders 2

The Cougars controlled the first half of the game and Beth Murphy scored a goal. Georgetown played much stronger in the second half, successfully completed a penalty kick and scored another goal for the win. Outstanding Booters: Eric Sheehan, Christina DellaCroce and Lisa Marcella.

#### Cheetahs 3, Saugus Leopards 0

The Cheetahs dominated the play and scored two goals early in the game (SaraMichelle Sapuppo). Good defensive play by Heidi Weiner, Kristin Thompson, Toni Weiner, Kathy Murphy and Kara Oliver, as well as alert goal tending by Michelle Poisson and Patti Alatrosky denied Saugus any good opportunities to score. The Cheetahs scored again in the second half (Joanne Martin) to win a three goal victory.

#### Wolves 5, Swampscott Blue Jets 2

The Wolves scored (Fran Lanio) in the first minute of the game and continued to play aggressively throughout, winning the

victory 5-2. The other goals were scored by Steve McDowell and Jon Crawford. Outstanding Booters: Joby Bardetti, Peter MacDonald, Fran Lanio and Steve McDowell.

#### Bears 1, Marblehead Stings 3

The Bears once again played the tough Marblehead Stings but this time excellent defensive play by Joe Murphy, David Reed and Stewart Hannah, as well as superb goal tending by Eric Sanborn, held the loss to a minimum. Bear's only goal scored by Fran Sullivan on a pass from Ted McEnroe.

#### Elks 4, Lynn YSC 1

The Elks came on strong against Lynn but good defensive play kept them from scoring in the first half. Lynn scored in the second half, quickly followed by four goals by the Elks to give them the win. Goal getters were David Keene (on a pass from Mike DeNitto), Jim Stelzer (penalty kick), Larry Cuddy (pass by Gage Perry and Andrew Sartory). Outstanding Booters: Andrew Sartory, David Keene, John Drake and Ken Flynn.

### Under 14

#### Menominees 2, Mic-Macs 3

The Menominees played a spirited game against the Mic-Macs but could not over-

come their strong offensive tactics which enabled them to score three goals for the win. Goal getters for the Mic-Macs were Ken Saliba (pass from Dan Boland), whilst Ian Yates successfully completed two penalty kicks for the Menominees. Outstanding Booters: Yvan Levesque and Frank Rossitto (Mic-Macs) as well as Tom McDonald, Steve Kilmain and Danny Poore (Menominees).

#### Apaches 0, Swampscott Argonauts 4

Swampscott came on very strong against the Apaches who worked hard to control the ball and pass it up to Swampscott's goal zone. Goalie David Collins made some brilliant saves, although Swampscott were able to score four goals for the win. Outstanding Booters: Paul Hunt, Brandon Bachner, Robert Retelle and David Fredette.

#### Comanches 1, Peabody Comets 1

The Comanches were challenged by a strong Peabody team and they had to work hard to gain possession of the ball and control it. Rick Apgar scored in the first half; Peabody also scored to make it a tie game. Team record is 7-0-1.

#### Lions 0, Topsfield 5

The Lions were overpowered by

The Andover Knights opened up their Northeast Baseball League season with a 6-3 win over defending champion Boyle's Drug of Amesbury.

Boyle's Drug opened the scoring in the first as Bill Hodge reached on an error, went to second on a passed ball. After Rick Cecil struckout Steve Wholley UNH star, singled for the run. Boyle's added another in the second on a long home run for left center by Mike Shey.

The Knightsd broke the ice in the fourth as Laszlo Kun singled, Steve Juba singled with Kun stopping at second. Kun then stole third before pitcher Russ Croteau doubled in both runners, Bill Brennan followed with a single sending Croteau to third from where he scored on a passed ball, Peter Karamatopolous reached on a base on balls followed by Ray Lynchs in-field hit loading the bases. Rich Connors followed with a walk scoring Brennan with two outs. Kun reached on an error by Cecil

allowing two more runs to score.

Boyle's added their third run in the fifth on a walk and two hits.

Croteau pitched superbly in his first start for the Knights allowing only six hits and one walk while striking out four.

In their second start of the season the Knights were blanked by the Haverhill Merchants 8-0 as they garnered only one hit, a double by Steve Juba in the seventh.

Bob Cavanna, a lanky right hander, pitched much better than the score as balls were inches away from routine outs. His downfall came in the second after he struck out the first two batters he proceeded to walk one and suffer from three errors along with four hits of which only one was true.

The game saw the emergence of former Andover High pitcher Mark Lalonde. He pitched the last two innings in relief looking sharp in the process. It also marked the debut of Andover High junior third baseman into the Knights line up.

Bob Carrick's Hotspurs played their usual strong offensive game which won them the victory. Goal getters were Bill Clarke on a pass from Dan Roberts, Adam Roberts on a pass from Bill Clarke, and John Kiley.

## Celtics 0, Lynn YSC 1

Lynn played a very strong game against the Celtics and goalie Chuck Augello made some brilliant saves. Lynn was awarded a penalty kick in the second half which was successfully completed and won them the victory.

## Under 19

Andover United 5,  
Marblehead Chiefs 1

Coach Ralph Luby's Andover United team played their usual strong game against the Marblehead Chiefs and scored five goals for the win. Goal getters were Gary, Cohen, David Yates and Andrew Powell.

## Under 16

Tigers 3, Georgetown Jets 0

The Tigers played aggressively against Georgetown and were able to score three goals in the first half (Beth Caswell on passes from Cindy Luby and Mary Foden, and Cindy Luby on a pass from Beth Caswell). Georgetown took several shots on the Tiger's nets, all blocked by goalies Ruthann Tassinari, Beth Caswell and Barbara Duncan. Outstanding Booters: Sue Aiello and Cindy Luby.

On Sunday, the Knights hosted the Hampton Clippers for a doubleheader.

The opener found lefty Dennis Toomey making a come back after a year's absence due to an arm injury. After an opening bloop single, he held them hitless until one out in the seventh whiffing three and walking one in a brilliant performance.

The Knights plated four in the second on Don Saab's single, Kun being hit by a pitch followed by Mark Morreo's triple to left center. Rick Morin walked and stole second followed by Bill Brennan's single for two more.

The home towners added two more in the fourth. Kun singled followed by Danny Grams double to center. Rick Morin then single home both runners.

Hampton finally broke through the seventh with one out on a single, a walk, and three more singles before a Bill Barber triple had made the score 6-5 in favor of Andover and the tying run on third.

Enter Mark Lalonde and the big righty struck out the first batter before getting the last batter on a grounder to second.

Game two found the Knights fall behind 7-0 as their defense faltered.

Hampton scored four of the seven on three walks and an error.

Andover came back with four in the third as Kun was hit by a pitch, Brennan singled, Bill Shepley walked and Rich Connors doubled home two runs. Steve Juba plated the last two runs of the inning on a long double to center.

The Clippers added run number eight in the fourth before the Knights made a run in the last of the seventh only to fall one short.

Connors led off with a single, Saab

reached on a fielder's choice, Juba flied deep to left before Morreo reached on a fielder's choice. Danny Grams singled scoring Dennis Morreo running for Connors. Kun followed with a tremendous double to center scoring Bob Cavanna, running for Morreo, and Danny Grams.

Only the fact that the center fielder got his glove on the ball in his valiant effort for the catch. Kun would have had a home run. Bill Brennan followed with a walk before Peter Kanamatopolous ended the game with a hard ground ball to second.

Andover's first week found the Knights 2 and 2 before traveling to Amesbury on Tuesday and returning home on Thursday to host Haverhill.

Andover's game with Georgetown scheduled for Wednesday at the high school has been rescheduled due to graduation exercises.

## Minor League Results

The Andover American Minor League Angels and Yankees have been the most consistent winners through the first half of the 1978 season.

The Orioles have also played some fine ball, but ran into trouble against the Angels.

### Orioles, 11-5

Steve Perlberg slammed a homerun and double, while Rich Quintal hammered a bases-loaded triple, lifting the Orioles past the Senators 11-5.

Joe Flosman and Pete Quintal combined to handle the pitching duties for the O's.

Jimmy Hashem clouted a bases-loaded double for the Senators, while Pete Stark did some fine pitching in a losing cause.

### Angels, 14-4

Paul Lambers hurled a three-hitter, and he also slugged a homerun and single, sparking the Angels to a 14-4 romp over the Patriots.

Robbie Veilleux was a defensive standout at second base.

### Orioles, 28-7

Heavy hitting by Tom Brandt and Pete Quintal, along with excellent pitching by Chris Arserio, paced the Orioles to this lopsided win over the Yankees.

Brandt and Mitch Levine also pulled off a triple play for the winners.

Jim Driscoll belted a homerun for the Yanks.

### Angels, 16-3

Lincoln Field and Paul Lambers combined to hurl a one-hitter as the Angels toppled the Red Sox, 16-3.

Chris Rourke poled a pair of homeruns and Eileen McQuarrie added a solo blast for the Angels.

Ted Staats was a defensive standout at shortstop.

Lambers also collected the victory in a 10-9 Angels win over the Orioles.

### Yankees, 7-4

Dave Henderson clouted a three-run homer, and the Yankees broke open a pitcher's duel with seven runs in the sixth enroute to a 7-4 victory over the Tigers.

Phil Stocking, Greg Najjar and John Beardsley worked two innings apiece, combining for 12 strikeouts for the Yanks.

### Yankees, 13-7

Greg Najjar belted a grand slam homerun in the top of the third inning to power the Yankees to a 13-7 victory over the White Sox.

John Beardsley, Najjar and Phil Stocking once again combined to handle the pitching for the victors. Beardsley struck out four in two innings and Najjar fanned five in two innings.

Jim Driscoll was the fielding star for the victors, initiating a doubleplay in the final stanza to kill a White Sox rally and end the game.

## Track Club Meeting

Joseph B. Doherty, Jr., president of the newly formed Andover Track and Long Distance Club announces a meeting for all those interested in promoting track in the community.

Doherty says, "The club expects to appeal to a diverse membership. Immediate objectives for the club are to run four developmental meets and road races and one AAU meet and road race during the summer. The club is not restricted to only those who wish to compete actively. We would like to encourage anyone interested in officiating and those who wish to use the facilities for training and exercising. Some members of the club have tremendous experience in training and coaching and will help all those interested in assistance."

The meeting will be held in the large group room at Andover High School starting at 7:30 p.m. on Wednesday, June 14, and will feature a seminar on long distance running and caring for running injuries.

shutout, and at the plate he drove in four runs with two key hits.

Dave Laporte chipped in two safeties and two RBI, while Jon Yezerski drilled two hits and drove in one run.

Chris Cormier led off the game with a single for the Mets, and Twomey hurled no-hit ball the rest of the way.

Cubs, 7-3

The Cubs won their seventh consecutive game overall, trimming the Mets 7-3 as John Crawford led the attack with two singles and a double.

Larry Cuddy chipped in two hits to back winning pitcher Bill Donovan.

John O'Connor slammed a brace of safeties and Chris Cormier doubled for the Mets.

Giants, 7-6

John Marocco and winning pitcher (in

relief) Chris Scarpa drove in two runs apiece, as the Giants rallied in the late innings to overcome the hard-luck Dodgers, 7-6.

John Deeran tied the game with a run-scoring triple for the Giants, and Tom Lutz accounted for two runs with a single.

Chris Marcella spiked a two-run single and John Hopwood added an RBI single for the Dodgers.

Cards, 11-2

The Cards continued to roll in the second

half, capturing their seventh straight game overall with an 11-2 romp over the Pirates.

Brett Larrabee slammed three hits, while Paul Tarro drove in four runs with a pair of doubles for the Cards. Ken Doherty chipped in two doubles, John Geiger had two hits and Mike Surette a pair of safeties for the Cards.

Mark "Hucker" Grams collected another mound victory in relief.

Mark Lefebvre led the Pirates with a

double and single, while Joe Wescott added a pair of hits.

## Employment Improves

The Massachusetts unemployment rate dropped for the fifth straight month, to 5.4 percent in May, John F. Hodgman, director of the division of employment security (DES) announced.

This steady decline in the unemployment rate shows that there is a clear trend in the State's economic improvement, Hodgman added.

Hodgman stated, however, that the Massachusetts rate is seasonally unadjusted and that the seasonal employment pattern for May traditionally results in a low unemployment rate.

### Marlowe Show

The premiere of The Marlowe Show, a fictional portrait of the Elizabethan playwright, Christopher Marlowe, will open on June 15 at the Suffolk Theater on Beacon Hill. The play, written by John Adams and William Kromm, is based on fact, rumor and fancy. It is an eloquent and rich tapestry

The remarkable success of the new Fiesta in Europe has surpassed even the most popular cars from Volkswagen, Renault and Fiat. Behind that success are these good reasons.

## GREAT FEATURES!

- Hatchback. Load, unload easily through rear door.
- Easy service. See-through battery, radiator, brake fluid units.
- Goes 0-50 in an average of 8.8 seconds (an average of 9.1 seconds, Calif. emissions equipped models).
- 7,500-mile or six-month, whichever occurs first, intervals for oil changes (normal driving). Many life-lubricated parts.
- Front-wheel drive. Go in snow, even on ice.
- Room. Seats four adults. More back seat leg room than any other imported or domestic car in its class.
- Transverse-mounted engine gives nearly flat floor.
- Fold-down rear seat. For 29 cu. ft. loadspace.

## Erin Farr Chosen For Event

Erin Farr, the daughter of Elizabeth and Roy Farr of 46 High St., Andover, has been selected to participate in a national Girl Scout event, "Arkansas Wing Ding."

Beginning July 31, Erin will spend two weeks at Little Rock Air Force Base in Arkansas exploring the careers available in aviation with 120 other girls from this country and Europe.

Examining a Missile Silo, piloting a C-130 Simulator, and attending a Governor's Reception are just a few of the many activities planned for Erin at the Air Force Base.

Erin is a member of Cadette Troop 46 of Andover.

A total of nine girls from the Merrimack River Girl Scout Council including Erin were selected to attend various opportunities across the U.S.A. and abroad.

# Babe Ruth Club Preps For Season

The Andover Babe Ruth baseball team which has been practicing for its 1978 opener for the past five weeks, picked up a pair of victories in abbreviated three-inning "games" at the Greater-Lawrence League Jamboree last Sunday at Mark Devlin Field.

Andover edged past South Lawrence West, 2-1, and defeated South Lawrence East, 4-1, after falling behind 1-0 in both contests.

This year's team features seven returning players from last season's squad, which went 10-11-1 overall and placed second to North Andover both during the regular season and in the playoffs.

The 115-year-old players back again are Wayne Merola, Steve Rathbun and Bob Heidt, while veteran 14-year-olds are Jon Pelletier, Tim Grams, Jason Powell and Ted Kelley.

Eight new faces round out the 15-player squad.

The first-year 15-year-old players are Fred Foote and Ed Powers, the new 14-year-old is Rich Grimm, and the "rookie" 13-year-olds are Jim MacMillan, Jeff Demers, Chris O'Reilly, Matt Wells and Andy Emmert.

In the Jamboree victory over South Lawrence West Fred Foote, Ed Powers and Rich Grimm worked one inning apiece on the mound.

Foote surrendered a pair of singles to account for the lone SLW run, but he also struck out two and didn't walk a batter.

Powers didn't allow a hit and didn't have a ball stroked out of the infield against him, but three walks got him into trouble before a bouncer back to the mound was

transformed into a neat pitcher-catcher-first doubleplay to end the inning.

Grimm breezed through his inning 1-2-3 with a strikeout, a flyout to centerfielder Jon Pelletier, and a grounder to second base.

Andover notched both its runs in the bottom of the first when Wayne Merola spanked a single to center, stole second, and scored on a throwing error. Pelletier later singled home the winning run.

Lefty Bob Heidt and righthander Steve Rathbun combined to handle the pitching chores against South Lawrence East.

Heidt worked two innings, allowing only an infield single, and he struck out four including the side in the first.

Andover got runners to second and third in the first stanza, but failed to score, and then the locals scored four in the second although managing just one hit.

Heidt blooped a single to rightfield, Matt Wells and Chris O'Reilly drew walks, and two SLE errors aided the cause.

Andover launched its 24-game regular season earlier this week, after TOWNSMAN presstime, hosting Tower Hill Tuesday night and facing SLE at Mark Devlin Field last night.

Tonight the locals journey to North Andover for a 6 p.m. game at Grogan's Field.

The team will be making its fifth annual trip to Montreal, Canada June 30 to July 4.

## On Honors

Robert Jowett, 10 Virginia Road, Andover, a sophomore, recieved first honors for the third quarter at Central Catholic High School, in Lawrence.

The United States imports nearly half of the petroleum it consumes and that cost comes to more than \$45 billion annually.

While in Quebec the Andover crew will play several games against Canadian teams, view a Montreal Expos-St. Louis Cardinals doubleheader at the Olympic Stadium, visit the "Man and His World" exhibition (site of the Expo '67), and swim in the Olympic pool.

The group will reside at McGill University.

Interested in great  
Hair Design?

"The Cutting Company I  
Can Help!"

### Creative Hair Designs For Men & Women

Today's hair has taken a free, easy line, at any length. Excellence in hair design requires expert cutting techniques and skill. At the Cutting Company I, you get this and more:

- For the cutting customer, instruction in hair care and maintenance at home.

- Help with PH-Plus Conditioning products.
- Skin care and make-up instruction.
- Skill in perms and color.

Redken, the scientific approach to hair dressing, has given the hair designer creative curl for soft curly perms or

light supporting wave. It is made for the busy person who wants to look great with little or no care, other than normal shampooing.

**BIXBY EXCLUSIVES**

The Benjamin Abbot House, the earliest portion of which dates prior to 1720, is one of Andover's better known historic landmarks, and is listed in the National Register of Historic Places. The house has been carefully preserved and restored by the present owner. Five fireplaces including two great and two corner. Original panelling, floors, chamfered beams. Restored attached barn. Delightful and extensive herb gardens.

**Priced at \$79,900**

The Fuller Farm, an historic North Andover homestead, built in 1789. Situated on three acres with summer house and small barn. A great deal of restoration has been done, making this a charming four-bedroom home with 2½ baths, one a Victorian treasure. Beautifully wood details such as panelled fireplace walls, window seats and shutters, and wide boardfloors, some with original stenciling.

**Price at \$118,000**

Now under construction in convenient Andover location, a handsome saltbox situated on acre site. Sliders from fireplaced living and family rooms to deck, eat-in kitchen. Four bedrooms.

**Priced at \$86,500**

Situated on wooded North Andover acre, a sleek rustic contemporary offering fireplaced living and family rooms, four bedrooms. Located in established area with close proximity to the Old Center and good access to Rte. 114.

**FIRST-HOME MYTHS**

A national study done by the Chicago-based Family Housing Bureau dispels a lot of myths about the buying of first homes. Here's a few.

**MYTH:** First-time buyers have been driven out of the market by escalating costs. **FACT:** The survey showed that 44% of today's home buyers are first-time buyers.

**MYTH:** Young people cannot afford homes anymore. **FACT:** Eighty seven percent of first-time buyers are younger than 35 with the average age being 28.

**MYTH:** Costs for single-family homes have risen so sharply that most home buyers are turning to multi-family solutions. **FACT:** Ninety percent of first-time home buyers

choose single family homes, 7% condos and only 3% choose multi-family homes.

**MYTH:** Most home buyers now spend more on mortgage payments than the recommended ¼ of total income.

**FACT:** One quarter of the current crop of first time buyers fall into the ¼ rule of thumb category. Another 53% are even more conservative spending 20% or less of total income for shelter payment.

But selectmen were not so sure that the decision would be necessary that quickly.

Clark advised that the tonnage capacity of such a plant is limited and the committee plan at the moment is to get as much early commitment from communities as possible.

Selectman Susan T. Poore, who had represented Andover on the regional committee asked not to continue in that capacity, since she said she is not sure at this time, if the regional plant is the proper route to follow.

The board decided that Public Works Director Robert E. McQuade would be named Andover's voting member on the committee, since he has been involved in the project from the beginning and has expertise in the field.

The naming of a six-member local study committee will be left up to the selectmen.

The manager informed selectmen that the resource bank would be created to allow the building committee to draw on services to assist them with the project. The members of the bank will also be invited to participate in meetings of the building committee and provide input as the project progresses.

It is anticipated that once the committee is formed, it will begin work immediately and work through the summer months.

Planning funds were provided by the annual town meeting in April and the timetable agreed upon between the manager and the school department, is geared toward providing the total project for presentation at next April's town meeting.

## Bike Race Saturday

The third Annual Recreation/Community Schools Bike Race will get underway on Saturday, June 10, beginning at 10 a.m.

The start of the race will be at the Harold Rafton Reservation on High Plain Road. The ten mile race route will consist of two five mile loops that will run from High Plain Road to Cross Street, to Chandler Road, to Greenwood Road, and back to the starting line on High Plain

Road.

Competition will take place in six categories: 1. First resident finisher; 2. First non-resident finisher; 3. First female finisher; 4. First 14 yrs. and under finisher; 5. First under 10 speed finisher; and 6. First over 40 finisher.

Trophies will be awarded to all first place winners, while ribbons will go to those finishing in second, third and fourth places.

Racers may register for the competition at the Recreation/Community Schools office up until 4:30 p.m. Friday, June 9. Registration forms and race route maps are available at the junior and senior high schools, The Sport Shop, the Andover Hockey Shop, and the R/CS Department located on 36 Bartlet Street. Race registrations will also be accepted on the day of the competition.

Participants wishing to register on June 10 should be at the starting area no later than 9:45 a.m. In case of severe weather, the race will be held on Sunday, June 11 at the same time.

## Please Return Books

Media Director Annetta Freedman is asking all Andover school parents to look around home to find any library materials that have not been returned to the schools.

She said no fines will be imposed if the books are returned, but recovering the items will save the schools replacement monies.

The Language  
of *Flowers*

by Gerry Trull

Perhaps the most famous gardens in the world, outside of the Garden of Eden, are the Hanging Gardens of Babylon, the pride and joy of Nebuchadnezzar II (6-5BC to 562BC). But these are outdoor gardens. For years, people thought that indoor gardens didn't start until Victorians started building conservatories inside their homes for flowers. Well, they were wrong. The first indoor gardens ever made were in Pompeii, built about two thousand years ago. The Pompeiians were a very proud people and liked to show off their wealth if they had any. And the way many of the wealthy showed off was to have elaborate, formal gardens in their inner courtyards.

Your porch or patio can look terrific with flowering and foliage plants from **TRULL'S MILL HILL FLOWER CENTER, 411 River Rd., 851-6161**; we have an extensive selection for you to choose from. And if Dad is a plant buff, why not surprise him on Father's Day with a unique plant for his collection or an exquisite terrarium for his desk. Open: 9-5:30 Mon-Sat.
